Master Pyroserve Sdn Bhd (150490-U)

Your Direct Link To BOMBA

DIGITAL ALARM COMMUNICATOR

**NATIONWIDE
24-HOURS
COMPUTERISED
FIRE ALARM
MONITORING
SYSTEM**

THE COMPANY

- Master Pyroserve Sdn Bhd (MPS) is a wholly owned subsidiary of FITTERS Diversified Berhad.
- MPS has been awarded the concession by the Government of Malaysia in 1994 to supply, install and maintain the Nation wide Computerised Fire Alarm Monitoring System (CMS) to comply with Section 228 & 238 of the Uniform Building By-Laws 1984 for Fire Protection System to be linked up to the nearest Fire Station (BOMBA).

The regulation of Fire Certificate (FC) issuance under Section 27 of the Fire Services Act 341 requires designated premises to have the Digital Alarm Communicator (DAC) link to the CMS with effect from 1st August 2002.

- MPS is the current market leader and has an installed base of over 8,000 premises.
- MPS has over 68 CMS stations which have since been commissioned and operational throughout Malaysia.
- MPS customers are supported by nationwide branches and 500 appointed authorized distributors.
- MPS is the first company in the Fire Fighting Industry to be awarded the prestigious MS ISO 9001:2000 certification.

BOMBA STANDARD OPERATION PROCEDURE

MPS Computerised Fire Alarm Monitoring System

STATE HQ FIRE STATION

In the event of a fire, DAC will send fire alarm signals to respective fire stations to ensure total fire rescue support.

NEAREST FIRE STATION

The CMS station will receive the alarm signal and execute rescue operation.

SUPPORTING FIRE STATION

All supporting BOMBA stations are on fire alert, stand by to execute rescue operation.
